GOVERNMENT DEGREE COLLEGE SHAHPUR

BEST PRACTICES

SIGNED MOUS WITH SCHOOLS: OBJECTIVES

1. **Career Guidance**:
   - Collaborate to provide career counselling sessions for school students.
   - Offer mentorship programs facilitated by college faculty and industry experts to guide students in making informed career choices.

2. **Improvement Plans**:
   - Share resources and best practices to enhance the academic environment in schools.
   - Support the development of teaching methodologies and learning strategies tailored to school needs.

3. **Awareness Sessions**:
   - Conduct joint sessions on *drug abuse prevention*, *discipline*, and *social etiquette* for students and parents.
   - Create awareness through expert-led workshops and interactive activities.

4. **Nation-Building**:
   - Foster a sense of responsibility and civic consciousness in students.
   - Organize activities that promote teamwork, leadership, and active citizenship, bridging the school-college gap.
     - **Assessment Assistance**: Extend support for *NAS (National Achievement Survey)* and *PARAKH* initiatives through knowledge sharing and capacity building.
     - Help schools in designing strategies to improve academic outcomes and student assessments.

Scope of Collaboration:

- Organize inter-school and school-college events for mutual learning.
- Provide access to college facilities and expertise for skill development.
- Develop a sustainable framework for continued collaboration in academic and extracurricular domains.

DEPARTMENTAL BOOK BANK INITIATIVE

Objective:

Establish a Departmental Book Bank at GDC Shahpur for on-campus use, providing needy students with essential academic resources.

Key Features:

On-Campus Use: Books available in departmental spaces during college hours only.

Needy Student Support: Prioritize access for students unable to afford books.

Resource Management: Maintain usage logs and ensure daily returns.

Voluntary Donations: Encourage book contributions from faculty, alumni, and students.

Supplementary Access: Complement the main library with department-specific resources.

Implementation:

Set up shelves with syllabus-aligned books and manage them responsibly.

2. **Awareness**:
   o Inform students about the availability and rules of the book bank during orientation and departmental meetings.
3. **Monitoring**:
   o Regular checks to ensure books remain in good condition and are used appropriately.
4. **Future Expansion**:
   o Include e-resources and printed handouts for additional support.
   o Organize periodic donation drives to enrich the collection.

UPGRADATION OF LIBRARY AT GDC SHAHPUR (2024-25)

Objective:
To upgrade the library facilities at GDC Shahpur by expanding the space and adding new furniture to enhance comfort and usability, providing a better learning environment for students.

Key Aspects of the Library Upgradation

1. **Extension of Library Space**:
   - Increase the library's capacity to accommodate more students.
   - Create separate zones for study, reference, and digital learning.
2. **Additional Furniture**:
   - Procure ergonomic chairs and spacious tables for improved student comfort.
   - Install additional book racks to organize the growing collection.
   - Provide dedicated desks for group discussions and collaborative learning.
3. **Enhanced Facilities**:
   - Establish a designated reading area with proper lighting.
   - Introduce quiet study zones to ensure minimal disturbance.
4. **Digital Integration**:
   - Expand the e-library section with digital workstations and high-speed internet.
   - Ensure seamless integration with online resources and academic databases.
5. **Accessibility Improvements**:
   - Create an inclusive space with facilities for students with special needs, such as ramps and adjustable furniture.
6. **Eco-Friendly Initiatives**:
   - Use sustainable materials for furniture.
   - Enhance ventilation and lighting to reduce energy consumption.

Implementation Plan

1. **Assessment and Planning**:
   - Conduct a needs analysis to determine space and furniture requirements.
   - Develop a blueprint for library extension and resource allocation.
2. **Procurement**:
   - Source durable, student-friendly furniture that aligns with the college's budget.
3. **Execution**:

- o Collaborate with the college's administration and maintenance teams for timely implementation.
4. Awareness and Engagement:
- o Encourage student participation in the planning process to align with their needs.
5. Evaluation and Feedback:
- o Periodically review the effectiveness of the upgraded facilities and collect feedback for continuous improvement.
